### St Peter's & Our Lady's

Dear Parishioners,

Last week we enjoyed fantastic sunshine and then heavy rain. Clearly summer is still with us! The Summer timetable will also remain in place for the time being. The clergy are taking their summer holidays and in truth the mass times we now have seem to work well for us without the stress we were experiencing with the previous times. I am not one to listen to the news too much – just the headlines are enough but I gather the Government is considering ways to contain the latest variant and whatever they decide may affect the Church. Our Bishops tell us the Sunday Obligation is still suspended so we can attend any mass during the week to fulfil our obligation. I think they would like to re-introduce it at the beginning of Advent but I am sure this will only happen if they have confidence in the general picture of the country. Of course, attending a weekday mass isn't quite the same as a Sunday but for those who feel they would like the space and two metre distancing this is the better option. So for the time being our "Sunday" Mass times will continue to be Saturday 5pm Vigil at Our Lady's Church in Lillington. Sunday 9 am & 11 am at St Peter's. We also have many Baptisms as we are only allowed to celebrate these for one family at a time. This means we are looking at nearly every Sunday between now and December.

With things slowly getting back to 'normal' (sorry to keep using inverted comma's) I am looking at the times of our weekday masses because what worked for us during the pandemic is not so easy now. The Clergy are all actively involved with the parish primary schools. The Priests spend their time in the school on one day a week. Monday is St Joseph's, Tuesday is St Patrick's, Wednesday is St Anthony's, Thursday is Our Lady & St Teresa's and Friday is St Peter's. This means the Priests are often either in school or working on something with the school on that day. At St Peter's and Our Lady's we have 4 Primary Schools which means 4 days of each week is allocated to working with the school. We also visit on other days too. This means whichever day we are on 'duty' we are either unavailable in the Parish or less available. I know some people think Priests only work on a Saturday and Sunday. I wish! Going back to the weekday mass times we shall be reviewing them in a few weeks. I am referring to St Peter's and Our Lady's. I would like to reintroduce our regular time for Exposition, the Rosary and the Prayer of the Church, all of which were part and parcel of our pre-pandemic lives.

Over the last few weeks many of our much loved Parishioners have taken up residence in God's house. Familiar faces and Parishioners who were active in the Parish have been called to go to Heaven. You can see the names of those who have died recently. Each funeral which takes place in the Church is a community occasion. We attend in solidarity with our brothers and sisters in Christ who mourn the loss of their loved ones. It is an opportunity for us to give thanks to God for the lives of those who have died, to pray for their souls, to pray for the mourners and to consider our own mortality.... **Continued Page 3**

**Dear Parishioners Continued:** One day, the funeral will be ours. I am sure we would like to think our fellow Parishioners would pray for us and ask for a Mass to be said for the repose of our soul. We do not need to know the person who has died. Every soul needs prayers. How do you understand your vocation as a steward of creation? Last weekend Catholic Leamington was represented at the Eco Fest in the Pump Rooms. Many visitors stopped to chat and find out more. In his letter (Laudato Si), Pope Francis teaches us to understand our responsibility as Christians for the world God has given us. Letting the grass grow during the summer was the straw which broke the camel's back for some who like to see their grass clipped within an inch of its life but allowing it to grow au naturelle provided flowers for the bees and a habitat to the insects. And where would we be without them? Not here.

Every Blessing,

Fr. John

**Catholic Leamington at Youth 2000 Ampleforth Retreat:** We had a strong turnout at Ampleforth Retreat with 8 of us in attendance from Catholic Leamington. It was so encouraging to see young people from our local parish coming to meet and encounter Christ. Going to meet the Lord with wherever we are at in life and being open to the Holy Spirit, embracing ways in which we are given nudges of love of divine will in our lives. People came to Our Lord being themselves and bringing brokenness and wounds for healing so they can be the beautiful person that God wonderfully created them to be. Praise God for the wonders He has worked! It is so encouraging to see people want to become the best versions of themselves that they can be by embracing truth and the joy of Jesus. If you're interested in this or Youth 2000 you are so welcome to get in touch and/or join us at the young adults group. God bless, Rose x
