## EVENING PRAYER VIA ZOOM

**Sundays at 5 pm** for 30 minutes

For the time being, this is continuing every other week and is open to everyone. Those who are unable to attend Mass are especially appreciative, but people say it is just lovely to be able to see others (without masks!) and to pray together. Email [maryrouse@rocketmail.com](mailto:maryrouse@rocketmail.com) if you would like a link. A **booklet** is also provided every week so you can join in with the prayers and singing from home. All are very welcome!

## ZOOM QUIZ for KINDAID

**Saturday, 15 May, starting at 6.30 pm / 7 pm**

We very much hope to return to live events before too long. Meanwhile, we are holding another **ZOOM QUIZ** on **Saturday, 15 May, starting at 6.30 pm** with children's round. The main event will begin at **7 pm** and there will be something for everyone! It's great fun for all the family. Why not give it a try if you've not been before? Teams can be families, or people from different households working together (perhaps discussing answers via WhatsApp). There is no entry fee but donations to **KINDAID** are invited. To book a place and receive the link, email [maryrouse@rocketmail.com](mailto:maryrouse@rocketmail.com).

## KINDAID

**£1,500 to the Kirrua Mission in Kenya**

**KINDAID** was extremely grateful for the **Lenten Alms**. These donations, together with the monies raised from the most recent **Quiz** and the **sale of CDs**, has meant we're able to **send £1,500 to the Kirrua Mission in Kenya**. The sisters there always let us know what good use the money has been put to, so we'll keep you posted. Thank you for all the support for our fundraising initiatives during the past twelve months.

## A Marathon of Prayer for an end to the Pandemic

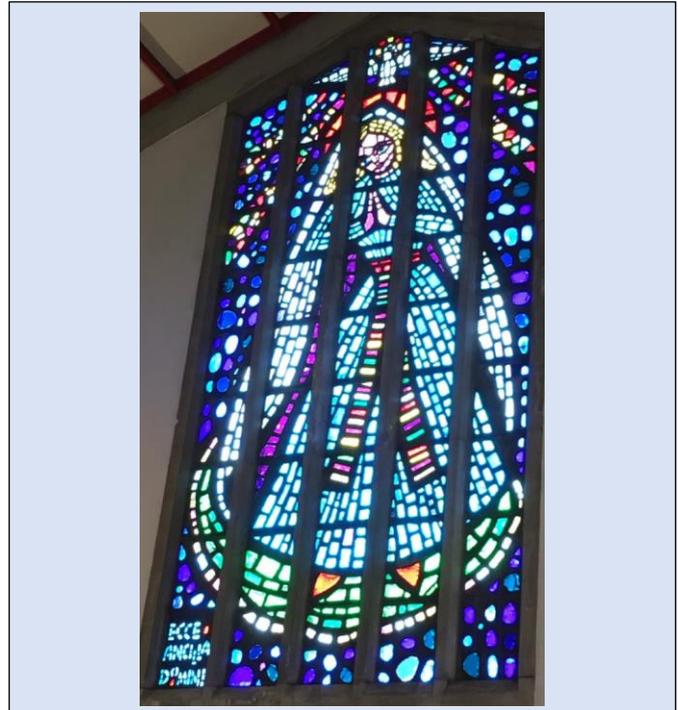

**Saturday, 1 May 2021: 5pm and 6pm (UK time)**

**Pope Francis** has invited Catholics and 30 Marian Shrines around the world, including the Shrine at Walsingham, to dedicate the month of May to a marathon of prayer for an end to the Covid-19 pandemic. *[The Catholic Bishops Conference]*

In response to the Holy Father's heartfelt wish, the month of May will be dedicated to a "marathon" of prayer, to ask for the end of the pandemic, which has afflicted the world for more than a year now, and to ask for the resumption of social and work activities. Pope Francis wishes to involve all the Shrines around the world in this initiative, so that they may become vehicles of the prayer of the entire Church. The initiative is being conducted in the light of the biblical expression: "**Prayer by the Church was fervently being made to God**" (Acts 12:5).

# The Climate Emergency

Meet Cll Jonathan Chilvers at 8.15pm on Monday 17<sup>th</sup> May.  
Laudato Si' week 16<sup>th</sup>-24<sup>th</sup> May.

The logo for LiveSimply Parish, featuring a stylized cross with a plus sign inside a circle, followed by the text "livesimply parish" in a lowercase, handwritten-style font.

Have you been watching Ade Adepitan's series about Climate Change on BBC TV recently? My wife, Janice, said to me that Ade had opened her eyes to the effects of climate change more than anything else had! At the same time BBC were showing a series featuring Greta Thunberg: 'A year to change the world', which was also inspirational. Both are available to watch on iPlayer and well worth watching. Do have a look.

Personally, I have been reading Bill Gates, of Microsoft fame, "How to avoid a climate disaster". His book is, believe it or not, easy to read and shows in stark detail the size of the problem we are dealing with. For example, he describes how pumping 50 billion net tonnes of CO2 into the atmosphere every year (which is what we are doing) is like running the tap into a bath of water. If we don't turn the tap off ... ! We have a climate emergency!

We all ask ourselves the question "What can we do about it?" Individual actions, like reducing our meat consumption, is not going to save the planet. (Not that individual actions aren't important – they send messages to companies and politicians that we are ready for change). But we need Governments and local Councils to take action to make the large scale changes that are needed.

To get **the Government** to take action, we can sign **CAFOD's petition** to the Prime Minister at <https://action.cafod.org.uk/page/73304/petition/1> and the **Climate Coalition's Declaration** at <https://thetimeisnow.uk/declaration>

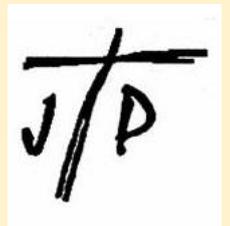

**But what are our local Councils doing? Warwickshire County Council, Warwick District Council and Leamington Town Council have all started to take action. To find out more about that and find out if it is enough and how we influence their decisions, Justice and Peace have invited WCC Cll. Jonathan Chilvers (whether he is re-elected or not) to talk with them at their next zoom meeting on Monday 17<sup>th</sup> May at 8.15pm (The meeting actually starts at 7.15pm and you can join us then). Do come along to listen and take part, but you will need a zoom link from [cl.jandp@gmail.com](mailto:cl.jandp@gmail.com) (which you'll get automatically if you receive the regular J&P emails).**

**Also, May 16th-24th is Laudato Si' Week 2021.** It will be the crowning event of the Special Laudato Si' Anniversary Year, and a celebration of the great progress the whole Church has made on its journey to ecological conversion. Laudato Si' Week 2021 will also be a time to reflect on what the COVID-19 pandemic has taught us and prepare for the future with hope. We are asked to pray about caring for Our Common Home especially during that week. Every day there will be events broadcast on social media at 12 midday and 6 pm. And **Friday May 21<sup>st</sup> is Global Action Day for Our Common Home.** See [laudatosiweek.org](http://laudatosiweek.org) including a 1 min video with the Pope;

## Justice and Peace

There is a **Justice and Peace circulation list** and everyone is welcome to receive the notifications about **J&P, LiveSimply and CAFOD etc**; but you do have to **ask** to be put on the list – that's the law (GDPR) – so please email [cl.jandp@gmail.com](mailto:cl.jandp@gmail.com) to receive them. This also gives you the **zoom link for J&P meetings**, which continue every month (3<sup>rd</sup> Monday)

# Reclaim Our Common Home

**The eyes of the world are on us!**

Someone said to me recently that CAFOD seems to have become more activist or 'political' in the past couple of years. I had to agree that it was probably true. Why? We need to realise why CAFOD, our Catholic AID Agency, sees this as a necessity.

Do you remember when Cyclone Idai hit Mozambique a couple of years ago? It destroyed pretty well everything in its path. CAFOD had been working there for years and all the work they had done was literally wiped out. This is a good example of why CAFOD is campaigning by asking us to support their letter to the Prime Minister and to talk to our own MP. Climate Change is affecting the poorest of the poor where CAFOD works with less reliable weather patterns, floods and droughts. If we don't tackle climate change CAFOD's work becomes more difficult, if not, in the end, impossible.

CAFOD sees the coming G7 Summit of the richest nations in June and the UN Climate Conference in November, both hosted by the UK, as an opportunity to get the British Government to influence the world. The eyes of the world are on us! World leaders need to agree how to end the climate crisis. We can't do it by ourselves.

## How can we help?

**First, we want to arrange a meeting with our MP (either Matt Western or Jeremy Wright) preferably before the end of May ahead of the G7. So far, just four people have offered to participate. Will you join them? Please email [cl.jandp@gmail.com](mailto:cl.jandp@gmail.com) to say so.**

**Secondly, we will soon be asking EVERYONE in the parish to sign a petition that CAFOD is planning to send to Boris Johnson. Please sign this when you get the opportunity at church or online at [www.catholicleamington.org.uk/cafod.html](http://www.catholicleamington.org.uk/cafod.html) where you will find the letter and a link to CAFOD to sign. And if you can help us hand out petition cards, please contact [cl.jandp@gmail.com](mailto:cl.jandp@gmail.com) to volunteer.**

**The St Vincent de Paul Society (SVP) continues its activities in all three churches aiming to help those in need – be it a friendly phone call or more substantial help**

In particular, the **St Joseph's SVP** has been helping some families with items for young children recently, generously assisted by a donation from the **Gubay Foundation**. The Gubay donation has been offered to the SVP through its National Office and each local conference was asked to see if they could identify families in real need. The St Joseph's conference has so far helped **five families** with items such as a **freezer, cooker, carpets and various furniture items**. Meanwhile St Joseph's SVP continues to **collect and re-distribute school uniforms and other clothing** items for families. **Food donations** are also collected and channelled to the local **food banks**.

**Free face masks** have also been made and donated to the local groups **helping the homeless**, such as the Salvation Army.

The **Our Lady's SVP** helped out with the distribution of the **Easter Parcels** (made up by a group of parishioners). **St Peter's SVP** continues to keep in **contact with the housebound**.

**The SVP conferences in our three churches are always open to new members to help develop our work, or if you have any items you think we could use, please contact –**
